

# DAVID PEARCE

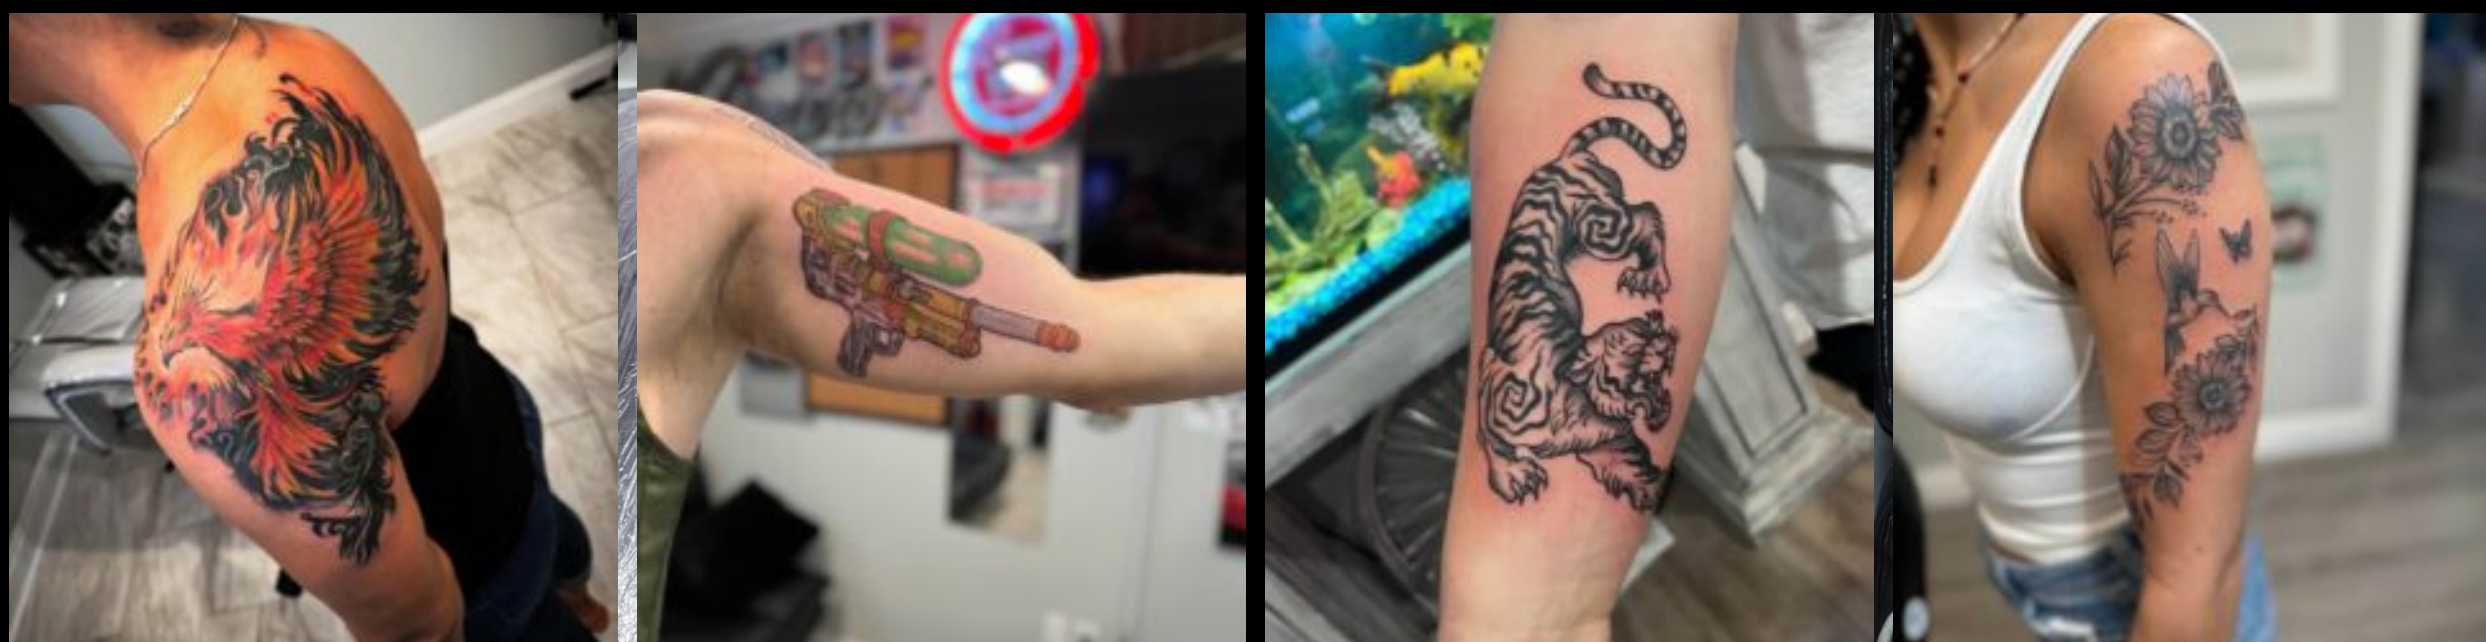

Originally from the Midwest, (born and raised in Illinois), my wife and I moved to Navarre in 2020 in search of new horizons. I hope to bring my Midwestern flair to the local tattoo scene here. I've been a tattoo artist for over 27 years and have met people from all walks of life. It's been a very rewarding experience, but we finally decided it was time to open up our own shop.

Art and beauty is a never-ending process so I am always striving to be a better artist and to make a positive change in people's lives through my art. I specialize in Traditional and Fine-line custom tattoos. I especially love doing realism, watercolor and wildlife portraits but can do just about everything. On occasion we will be bringing in guest artists so give our Facebook page a follow to keep up with who's in town.

We follow a customer-first philosophy, so don't hesitate to call us at the shop!
